Church Register from
Peace Evangelical Church
Waucousta, Wisconsin

Births/Baptisms, 1888 – 1930
Marriages, 1890 – 1930
Deaths, 1911-1930

Entered on Computer by S. Connie Halbur, May and June, 2005

Births/Baptisms, 1888 - 1930

Notes:

1. Note the inconsistency in the spelling of proper names in this and other records. There was NO SET SPELLING for proper names until about 1900.
2. All information as given in the church register is recorded here, *with the exception of the names of the sponsors (godparents and a very small number of instances where the information was deemed sensitive).*
3. **[Sic]** indicates that the material was copied as written, even though there appears to possibly be an error.
4. The place of birth is often given in this record. However, it is usually the name of the township, *rather than the name of town or village. Thus, a child born in "Osceola" means that the family lived in Osceola township.*

Two arrangements are given:

- As recorded in the register, which is generally chronological
- Alphabetical order
