Dear Dean,

Congratulations to Campbellsport on being named as a 2006 Tree City USA!

Trees in our cities and towns help clean the air, conserve soil and water, moderate temperature, and bring nature into our daily lives. Trees are a vital component of the infrastructure in our cities and towns, and provide environmental and economical benefits. A community, and its citizens, that recognize these benefits and provide needed care for its trees deserves recognition and thanks.

Tree City USA recognizes communities that have proven their commitment to an effective, ongoing community forestry program. Such a program is one marked by renewal and improvement.

Tree City USA is sponsored in cooperation with the National Association of State Foresters and the USDA Forest Service. State foresters are responsible for the presentation of the Tree City USA flag and other materials. We will forward your awards to Tracy Salisbury in your state forester's office. They will be coordinating the presentation with you. It would be especially appropriate to make the Tree City USA award a part of your Arbor Day ceremony.

Again, congratulations on receiving this national recognition for your tree-care program.

Best regards,

John Rosenow
President
