

Chapter 467. Vehicles, Motor-Driven

Article III. Golf Carts

[Adopted 7-8-2019 by Ord. No. 2019-42]

§ 467-15. Purpose and definitions.

- A. Purpose. The purpose of this article is to provide a means of travel that is not only convenient and safe, but conserves resources and protects the environment. Golf carts, if properly used, are an effective way to travel for short distances within the Village. However, to ensure the public safety and welfare, the operation of golf carts must not only comply with normal regulations regarding vehicles, but should comply with special safety regulations intended to protect the operator and passengers in a vehicle that is primarily designed for operation on a golf course or for recreational purposes. This article established the basic, minimum standard of care to be used by the operators of golf carts on public roads, streets and highways. Likewise, the public safety requires that golf carts, used as a means of transportation, must also meet certain minimum safety standards that can only be ensured through a system of registration and inspection. The registration and inspection of golf carts are required in order to protect the public health, safety, and welfare.
- B. Definitions. For purposes of this article, these definitions shall also:

GOLF CART

A vehicle designed and manufactured for the operation on a golf course for sporting or recreational purposes and that is not capable of exceeding 20 miles per hour.

§ 467-16. Operation of golf carts allowed; exceptions.

- A. Allowed. The operation of golf carts on the public streets within the Village in compliance with the provisions of this article shall be permitted; however, it shall be unlawful to operate any golf cart that is not properly registered with the Village or to operate any golf cart at any place or in any manner not authorized herein.
- B. Exceptions. The operation of golf carts is not subject to the provisions of this article under the following circumstances:
- (1) The operation of golf carts at golf course, private clubs or on private property, with the consent of the owner; or
 - (2) The use of a golf cart in connection with a parade, a festival or other special event, provided the consent of the sponsor is obtained and provided such vehicle is only used during such event.

§ 467-17. Registration.

- A. Required. No golf cart may be operated on any public street within the Village unless the golf cart has first been registered with the Campbellsport Police Department as required herein. The registration shall be renewed thereafter in accordance with the provisions of this section. To evidence the registration, the owner shall be issued an annual permit, which shall be displayed in a prominent, visible place on the rear fender of the golf cart or at such other place as may be approved by the Police Department. The permit may contain a registration number assigned for the particular golf card and may contain an expiration date.
- B. Registration fee. An initial registration fee shall be \$50 with an annual registration fee thereafter of \$30. Said fee shall become part of the Campbellsport Police Department fee schedule and may be amended at such time as deemed appropriate. Fee shall be paid to the Police Department upon approval of inspection of the vehicle as set forth by the Campbellsport Police Department.
- C. Application. The application for registration shall be provided by the Campbellsport Police Department and will require information such as the owner's name, street address, mailing address, a phone number; the make, model, and identification or serial number of the golf can, proof of insurance and other such information as may be reasonably required as well as a release or disclaimer of liability by the Village for accidents involving the registered golf cart.
- D. Procedures. The Police Department will provide an inspection of the cart. Upon the approval of inspection, the vehicle registration will be completed by the applicant paying the applicable fee to the Police Department.
- E. Inspection. Prior to issuing the initial registration permit, the golf cart shall either be inspected or, in place of inspection; the Campbellsport Police Department to determine that:
 - (1) The golf cart is equipped with at least two red rear reflectors at least three inches in height and width on front and rear bumpers and reliable steering apparatus;
[Amended 9-13-2021 by Ord. No. 2021-2]
 - (2) The golf cart is equipped with a reflective "slow moving" sign on the rear of the cart;
 - (3) The brakes provided by the manufacturer of the golf cart are in proper working order, along with safe and proper tires;
 - (4) The golf cart has all of the standard safety features provided by the manufacturer and has not been modified to exceed a speed of 20 miles per hour, nor otherwise modified in any way that creates a hazard; and
 - (5) The golf cart is equipped with all the mechanical systems and safety equipment required by this article.
- F. Denial and revocation. The initial registration of a golf cart may be denied or subsequently revoked by the Campbellsport Police Department if it is determined that:
 - (1) The application contains any material misrepresentations;
 - (2) Financial responsibility requirements of the State of Wisconsin (liability insurance) have not been met;
 - (3) The golf cart is not in compliance with the requirements set out above;
 - (4) The golf cart has been altered or customized and no longer meets the definition of a golf cart;
 - (5) Equipment supplied by the manufacturer, especially safety equipment, has been removed from the golf cart or the vehicle identification or serial number removed; or
 - (6) Other good cause shown, including repeated violations of this article may cause the permit to be revoked or not renewed.

(7) Any individual has the right to appeal a denial or revocation.

- G. Financial responsibility. The owner of a golf cart required to be registered with the Village for use on the public streets of the Village shall maintain in full force and effect and continuously throughout any period of registration.

ATVs, four-wheel utility vehicles and other similar utility vehicles which are not manufactured for operation on a golf course and golf carts which have been modified so that they no longer meet the definition of a golf cart may not be registered as a golf cart nor shall such vehicles be operated on the public roads within the Village unless such vehicles are otherwise registered with and allowed under the motor vehicle laws of the State of Wisconsin and the Village of Campbellsport.
