We have a conference call set for this Thursday with Joe from Kapur and Associates to discuss the two estimates that were in the May Board Meeting Packet from WE Energies (see attached - I will not be reprinting for this call). Questions were asked at the meeting that could not be answered, so Mark sought assistance. This conference call will be informational ONLY and no action will be taken.

If you cannot attend the meeting, but have questions please let Mark know and he will speak on your behalf, 960-3060 or publicworks@cportvill.com.

Thanks,
