### Regulations for Keeping Chickens

**Complete regulations are attached to this application.** In addition to following the attached regulations, the applicant must provide the following:

- A site plan showing:
  - The location and dimensions of the proposed chicken coop and any associated pen (*sketch of actual coop design and pen*).
  - The proposed location of a coop and associated pen (*sketch showing the enclosed area for outdoor coop/pen, etc.*)
  - Property boundaries and distance of coop and pen from lots lines and principal structures located on adjacent lots. (*Stake out the proposed location of the chicken coop prior to submittal of this application.*)
  - A description of how the poultry will be maintained and the number of chickens to be kept at the address. Maximum of 6 chickens. No roosters allowed.
- Payment of a \$30 permit fee.

### Request and Affidavit

The applicant must read the following statement carefully and sign below:

*The Village of Campbellsport is not an enforcement authority for private restrictive covenants in place for certain subdivisions. Applying for and obtaining this chicken permit DOES NOT provide any authority to violate any restrictive covenants/bylaws that govern the property that you reside or intent to keep chickens. Please review any Restrictive Covenants that may apply to your property prior to applying for a chicken permit.*

I hereby certify that the information submitted is true and correct to the best of my knowledge. In submitting this application, I acknowledge and agree the application is subject to all regulations found in Chapter 5-62 of the Village of Campbellsport Code of Ordinances (specifically called the Keeping of Chickens on Residential Parcels). If the requirements are not complied with, the Village of Campbellsport may revoke any permit issued.
