The meeting was called to order at 6:00 pm by PR Krebs. Present: Dornbrook, Tellier, Krebs, Hafemann, Wenzlaff, Zielieke, Gruber, Serwe, Harvey, Muraski, and Tony Leonard.

Joe DeYoung and Todd Janssen presented the board with information on grant opportunities for road projects at the October 2 meeting. They offered information on how they helped other municipalities complete projects. The presentation was very informative. DeYoung mentioned that the more information we give him, the more opportunities that he can possibly help with. Fond du Lac County would like the Highway Y project completed before the DOT's Highway 67 begins through the Village. DeYoung requested the Village Board decide on hiring MSA to complete the grant paperwork and take over as project engineer. Motion made and seconded to hire MSA to complete grant paperwork and be project manager for the Highway Y Project (Zielieke, Serwe). Motion carried, 7-0.

Plan commission members and Doc Leonard were requested to assist with possible changes to Ordinance 2019-39, Chapter 500 – Zoning. Motion made and seconded to approve Ordinance 2019-39, Chapter 500, Zoning with the noted changes (Zielieke, Harvey). Motion carried, 7-0.

Ordinance 2019-25, Chapter 399: Solid Waste and Recycling Management was approved as presented (Hafemann, Muraski). Motion carried, 7-0.

Ordinance 2019-33, Chapter 420: Subdivision of Land was approved with only grammatical changes (Serwe, Harvey). Motion carried, 7-0.

Ordinance 2019-45, Chapter 433: Direct Sellers (previously Transient Merchants) was approved as presented (Zielieke, Muraski). Motion carried, 7-0.

Meeting adjourned at 8:43 pm by unanimous consent.

Respectfully submitted,

Becky Tellier - CMC, WCMC
