SPECIAL VILLAGE BOARD MEETING

3/4/2015, 6:00 pm

Village Council Room - 177 East Main Street

This meeting was called to order by Village President, Pat Twohig, at 6:09 pm. All members were present.

Discussion was opened regarding the building permit issues that have occurred with the new Fond du Lac County Garage and additional structures. Jeff Lindsley was offered the floor to present his version of events which led to his not having a permit for the salt shed before it was erected. Jeff stated that at the beginning of the project he asked Rob Ketter if he had the permits for the salt shed and was told – yes he did. He was unaware that they really had not been taken out until Tony Leonard contacted him 2-3 months after completion of the shed. Tony informed Jeff that because the permits had been taken, it resulted in the fees being doubled for lateness. Through discussion it was determined that due to lack of communication or possible ignorance on some parties involved that Jeff did indeed attempt to do his portion of the job correctly believing that the proper permits were in order.

A motion to rescind the double fees for Lindsley Construction only was made by TR Schickert and seconded by TR Schellhaass. Motion carried. (Aye-7, Nay-0)

Motion to go into closed Session was made by TR DelPonte at 6:32 pm, seconded by TR Hafemann. Motion carried. (Aye-7, Nay-0)

Respectfully submitted,
Shelby Sarauer
Deputy Clerk/Treasurer
